A) Theme: "Healthy Lifestyle in School" (校園健康生活)

B) Background:

Leading a "Healthy Lifestyle" is one of the learning goals of the school curriculum in Hong Kong. The Education Bureau encourages schools to implement Healthy School Policies to help students achieve favorable physical, psychological and social well-being so as to foster students' whole-person development. In the shadow of the threat of Covid 19 pandemic and the existing healthy school policies, you are invited to write a proposal covering creative, feasible & pragmatic measures to enhance the healthy lifestyle in your school.

C) Aims:

The objectives of this competition are to i) raise students' awareness of the need for healthy lifestyle in school, ii) construct a healthy living environment in school and iii) enhance students' critical thinking, creative mindset, and problem-solving skills.

D) Modus Operandi:

- i) Each team (4-6 students) will contribute a proposal related to the above theme, execute the proposed measures, document the process & observations/findings, and finally submit a written report & a video.
- ii) Participating groups will be divided into Junior Secondary (S1-S3) and Senior Secondary (S4-S6) levels.
- iii) Each school cannot submit more than 8 projects.
- iv) Finalists will be selected to present their findings in HKTBA Headquarters/ via Zoom on 27 May 2023. (to be confirmed)
- v) Reports and videos will be published and uploaded on HKTBA website for reference by schools and the general public.

E) Prizes:

i) Projects will be evaluated by an independent panel of judges. The best <u>3</u> projects in each group, in order of scores, will receive prizes of <u>HK\$30,000 (including \$5,000 book voucher)</u>, HK\$20,000 (including \$4,000 book voucher), and HK\$10,000 (including \$3,000 book voucher), plus certificate and trophy respectively; a meritorious award of <u>HK\$5,000</u> and certificate each will be presented to the four finalists' teams.
